Student Health & Illness

nurse@shmemorial.org - (201) 440-2782 ext. 125

We ask you assess your child's level of wellness before sending him/her to Memorial School. Your cooperation in this matter will help safeguard your child's health and the health and well being of others within Memorial School. To help stop the spread of infection among students and staff, students should not be sent to school when any of these symptoms of illness are present: Students with fever, frequent cough, rash, diarrhea/vomiting, sore throat, discharge from eyes, etc. should remain home until symptoms subside. Please keep your child at home for at least 24 hours after an elevated temperature has returned to normal (without medication) and/or after the cessation of vomiting and diarrhea.

Health Records / Emergency Contacts

Parents/guardians are legally responsible for filling out Emergency Information Card thoroughly and accurately.

It is imperative that the school has accurate information regarding emergency calls. Please be sure that all phone numbers are accurate. If you change a phone number, we must be informed. It is important that parents arrange to have emergency contacts in place, as time is crucial in emergency situations.

Early Dismissal

State law requires that children attend school for a full day on all days that school is open. The exception to this are medical and dental appointments, emergencies or for religious services on days listed. When possible, request early dismissal in advance by note. In the case of an emergency, a phone call to the Superintendent/Principal or Vice Principal will be sufficient.

* **All students must be called for at the school office.**

School Reporting Times

- Children in grades Pre-Kindergarten to 8 are to be **in their homeroom no later than 8:30 a.m.** for the morning session and 12:55 p.m. for the afternoon session. Any child reporting after those times will be considered late.

It is important that your child **does not** arrive at school **before 8:05 a.m.** Please abide by this, since **THERE ARE NO STAFF MEMBERS ON DUTY UNTIL THIS TIME AND YOUR CHILD WILL BE UNSUPERVISED.**

School Entrances:

All children in grades Pre-K to 8 are to enter at their designated school entrance and will be dismissed at his/her respective door. All students are to enter/dismiss in an orderly fashion.

Attendance

All students are expected to make attendance in school a top priority. The administrators, teachers, and staff recognize their responsibility to provide a thorough and efficient education to all students. Therefore, it is critical that every student and their parent/guardian accept responsibility for the student's attendance at school as scheduled, and required by state law. Excellent attendance will positively impact student achievement.

If a student is to miss school as part of an excused absence, it is the responsibility of the student's parent/guardian to notify the school. The process for notifying the school of the student's absence should be followed as outlined below:

1. The parent/guardian is requested to call Evelyn Stefano in the Main Office at **(201) 440-2782 ext. 2**, no later than 9:00 a.m. (notification after 9:00 a.m. will be considered truant). **If there is no answer, please leave a message on the voicemail system.**
2. The information provided should include the student's name, grade, and a callback phone number for the parent/guardian.

It is vital to the safety of our student's and the proper functioning of the school day to have all student's accounted for at all times.

PLEASE BE SURE TO CALL IN ALL ABSENCES!

Attendance Policy and Procedure

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. A student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level. After 10 absences, an Action Plan may be implemented. Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in ***N.J.A.C. 6A:16-7.6(a)4 Policy and Regulation 5200.***

Unexcused absences from school may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of this Board and its staff in the maintenance of good order and the continuity of classroom instruction.

Tardiness

The Board of Education believes that promptness is an important element of school attendance. Pupils who are late to school or class miss essential portions of the instructional program and create disruptions in the academic process for themselves and other students.

Tardiness to school that is caused by a student's illness, an emergency in the student's family, the observance of a religious holiday, a death in the student's family, or by the student's compliance with a request or directive of an administrator will be considered justified and is excused. All other incidents of tardiness will be considered unexcused.
(District Policy and Regulation 5240)

Late to School:

Any student who reports to school after 8:30am must report to the Main Office where they will be signed in.

Discipline Issued for Tardies:

Students are considered late if they have not arrived in Homeroom by 8:30am. In accordance with Board of Education policy, students who are tardy will be subject to disciplinary action as outlined below:

1 – 4	Tardies:	Excused
5	Tardies:	Administrative Detention
10	Tardies:	2 Administrative Detentions/Loss of Good Standing*
15	Tardies:	Loss of Good Standing*
20	Tardies:	Denial of participation in co-curricular activities until further notice

*See Code of Conduct

Going Home For Lunch

Any parent who wishes to have their child come home for lunch must return the permission slip on the first day of school. ***Any child who does not have their permission slip will not be permitted to leave the building.***

Dress Code

Individual students and parents have the responsibility for student dress and general appearance. Students are expected to dress appropriately for the academic environment of a school. Disregard for the school's dress code can result in disciplinary actions.

School Dress for Warm Weather (September, May & June):

Shorts are permitted with the following conditions:
they must be of "fingertip" length;
they must be loose fitting (**NO** spandex)

The following rules for student dress are to be followed:

- NO** holes in any clothing; (any holes in jeans must be from the knee down)
- NO** open shoes;
- NO** sandals, crocs or slides;
- NO** mid-riff tops, "tank" tops or fish net shirts
- ALL** shirts/tops must have at least half sleeves and must be long enough to be tucked into the waistband;
- NO** inappropriate wording or images on shirts or pants

***The administration reserves the right to make the final decision regarding appropriate dress in school, as well as, at all school-sponsored functions.* (District Policy and Regulation 5511)**

Student Behavior

Hallway

Students are expected to keep to the right while traveling in the hallway, keep voices low, and keep moving to your next classroom. It is important not to gather with friends or stop to talk during the passing of classes. Loitering could result in lateness to class. Students are not permitted to enter classrooms without a teacher present. Students must wait outside and line up along the wall until the teacher arrives and/or permits student entrance.

Cafeteria

Lunch period is an opportunity to relax and interact with friends. Students are expected to clean up after themselves, behave appropriately and follow the directions of the teachers and administrators in charge. Trash barrels are available to deposit trash. There are also containers specifically designated for recycling, and all are encouraged to help with the school's effort in this regard. Leaving trash on the table or throwing trash on the floor is unacceptable. Students who display inappropriate behavior during lunch or who do not clean up after themselves may have restricted lunchroom access as a consequence.

Assemblies

Students are expected to: Enter/exit in a quiet and orderly manner. No talking or physical contact during the performance. Remain in your seat for the duration of the program, unless you have permission from a staff member. Treat the speakers in a respectful manner and offer appropriate applause.

Student Behavior Continued

Gum Chewing

Careless disposal of gum in drinking fountains, furniture, and floors presents sanitation and cleaning problems and costly repair. Therefore, gum chewing is not permitted.

Vandalism

Vandalism and/or destruction of school property and/or materials is prohibited.

Cell Phone Policy & Procedure

Use of cell phones is prohibited within the school building. They must be handed in to homeroom teachers at the start of the day and kept there for the duration of the school day. Students can reclaim their cell phone at PM homeroom dismissal. Students may come to the main office for an emergency call to a parent/guardian. Failure to follow procedure will result in disciplinary action as follows:

Disciplined issued if a student is caught with their cell phone:

- 1st Offense:** Turned in to office; Student can reclaim at 3:15 p.m.; 2pts assigned*
- 2nd Offense:** Turned in to office; Parent *only* can reclaim at 3:15 p.m.; Administrative Detention; 4 pts assigned*
- 3rd Offense:** In School Suspension; 6pts assigned*

*See Code of Conduct

PUPIL CODE OF CONDUCT

The Board of Education believes that all students have a right to pursue their academic goals at Memorial School and be successful. The Pupil Discipline/Code of Conduct was designed to help provide a safe school environment that is conducive to learning. The staff and administration believe that the most effective discipline is self-discipline. Any conduct that is construed as causing a reasonable possibility for disruption of the educational process or that interferes with the health, safety, or rights of others is prohibited. Students are expected to follow the code as outlined in ***District Policy and Regulation 5600***. Students who violate this code will be subject to the appropriate consequences as determined by school administration. All of these rules apply not only to classroom/school day activities, but to school functions, field trips, athletic events, etc.

Student Expectations:

- ◆ Follow directions of administrators, teachers, other staff members.
- ◆ Display behavior which contributes positively to the overall atmosphere of the school.
- ◆ Demonstrate respect for all staff and other students.
- ◆ Attend school free of alcohol or illegal drugs.
- ◆ Not to be in possession of or sell alcohol or drugs.
- ◆ Respect all personal and school property.
- ◆ Conform to the dress code policy.
- ◆ Administrative detention is a consequence issued by the Superintendent/Principal and/or Vice Principal for grades **4 to 8 ONLY**.
- ◆ Any act not listed in this “Infraction Code” will be handled at the discretion of the Superintendent/Principal and/or Vice Principal.

PUPIL CODE OF CONDUCT

SOUTH HACKENSACK STATEMENT OF PHILOSOPHY

The pupil code of conduct is designed to create an educational environment that allows students to learn, teachers to teach, and administrators to facilitate instruction. We believe that good discipline in the classroom is essential to the educational program and development of responsibility. We also believe that the basic goals of our educational program include the promotion of courteous conduct, consideration toward other people; and respect for the rights of others. These guidelines are intended to hold the student accountable, to help the student develop a sense of responsibility, and to assist staff in dealing with problems that adversely affect these beliefs. The extent to which a student is judged for the alleged deviation or violation of the code of conduct is based on the observation, investigation, and decision of teachers, administrators, and other school personnel in authority. Judgments shall be rendered equally for all students without regard to sex, race, religion, physical handicap or ethnic origin.

Students in Good Standing

Below are behavioral supports that promote positive student development and the students' abilities to fulfill the behavioral expectations established by the Board. These behavioral supports may include, but are not limited to the following:

Positive Reinforcement for Good Conduct and Academic Success

Memorial School recognizes that participation in extracurricular activities is an important part of a student's school experience. There are many academic expectations in addition to social activities that enhance a student's middle school and high school experience. We support these social events as privileges for students who have demonstrated academic achievement, good attendance, and appropriate behavior throughout the school year.

PUPIL CODE OF CONDUCT

Benefits of Being in Good Standing:

The benefits of being in Good Standing include, but are not limited to:

- Attend Pep Rallies, School Dances, Sporting Events
- Attend school sponsored extracurricular field trips, class events, dinner dance
- Participate in sports and extracurricular activities

Falling Out of Good Standing:

Earning a total of 12 points will result in the loss of Good Standing. Students will fall **Out of Good Standing** if:

Academics

Attendance

- More than 15 unexcused absences within the school year

Tardiness

- Student has earned 2 or more administrative detentions or interventions for being late within the school year

Discipline

Each week thereafter with no infractions, each student will earn back 1 additional point. If other points are earned, the 30 day period begins again.

Pursuant to 18A:41-1, at least one School Security Drill will be conducted each month. A minimum of two of each of the following security drills will be conducted annually: Active Shooter, Bomb Threat, Evacuation (non-fire), and Lockdown.

Security drills are conducted, in conjunction with the South Hackensack Police Department, once each month and are designated to secure the school buildings efficiently and effectively. Students will be given clear directions by their classroom teacher regarding the procedures at the start of the school year. Students are expected to cooperate with all of the rules and procedures outlined by the classroom teacher.

Parent Notification

Our school uses Blackboard as our parent notification system. This system is connected to our Genesis student information system. It is used to communicate with all parents when necessary. This system is utilized for one of three reasons – for emergency purposes; for school closing or delayed opening; or for general informational announcements. So that we can be assured that our Genesis student information system database has the correct contact information, we ask that each family provide our school and main office of any changes such as phone numbers and/or email. Please e-mail Stephanie Kropp at skropp@shmemorial.org with the updated information.

Genesis

Memorial School uses Genesis, a web-based student recording data system for our progress reports, marking period report cards, and various other data. The Genesis parent portal allows parents to access daily attendance, progress reports and report cards.

Memorial School will only be using the parent portal of Genesis to distribute progress reports and report cards. This means that no paper progress reports or report cards will be sent home. The only access to see your child's report is to login to the parent portal via our school website www.shmemorial.org.

Back to school paperwork such as Chromebook/Kindle Agreement, Internet Usage Agreement, Lunch Permission Slip, Photo/Video Release Form, and Student/Parent Handbook Acknowledgment Form will also need to be completed in the Genesis Parent Portal.

If you have not registered for a parent portal account and need assistance, please contact IT Support at support@shmemorial.org. If

Stands Memorial School.
Bordered by the weeping willows,
Fanned by breezes cool,
All ye comrades join together,
Loud our praises sing.
May our school live on forever,
